

Job Vacancy

Job Title: 1-1 Support Worker

Hours: Tues-Friday, 9-3pm, term time only (days to be decided, looking like 3 full days)

Start date: Tuesday 22nd April 2025 possibly, but this will be discussed in more detail at the interview

Salary: To be discussed in the interview

This role is attached to three 1-1 young people and the role might be changed/ended if the 1-1 young people change/end their placement at WRC. Where possible, we will avoid terminating contracts.

Due to an increasing number of young people accessing our Alternative Provision at Wirral Riding Centre we are looking for a support worker to join our Changing Lives through Horses team that can provide 1-1 support for three separate young people.

The successful candidate will be experienced in working with children and young people with diverse backgrounds and additional educational needs. Our already experienced team are looking for a passionate, patient and caring team player who can make a difference to the lives of young people. We are looking for somebody who enjoys supporting young children up to young adults and who is dedicated to adapting the world of education and/or employment to meet the individual needs of our young people. Although this role is to support young people on a 1-1 basis, circumstances might change and it might be that if the circumstances change for our 1-1 young people it might be that you work with a group of young people alongside the already established CLtH team.
