If not going directly to the vet please state the address the semen is to be sent to including the post code.

Address .....

Post code..... Tel. No.....

## **Terms and Conditions**

### **Stud Fees**

All Stud Fees for fresh or chilled semen for insemination from resident stallions are on NFFR Terms. The free return applies to the same mare the following year only. The semen shall only be inseminated into the mare detailed on this form and any excess semen should be disposed of. Any other arrangements are made at the discretion of the stud.

Further semen will only be despatched on receipt of a negative pregnancy diagnosis from the vet, a collection and delivery fee is payable for each dose of semen despatched.

### **Ordering of Semen**

Full co-operation between the mare owner, the Stud & the Veterinary Surgeon carrying out the A.I. is essential. It is important that the Stud is kept informed of the mare's progress & is informed as soon as the mare comes into season.

Under normal circumstances semen ordered by 10.30am will be delivered by 9am the next day excluding Sunday & Monday deliveries.

### **Transport & availability of Semen**

Unless collection is being arranged by you, semen will be sent by overnight delivery. The cost of the courier service is not included in the fee.

Semen can be collected from the stud, in these circumstances there will still be a collection, processing & mini tub hire charge but no delivery charge. Please note, there are additional fees for the equitainer/mini tub hire.

In the event that fresh/chilled semen is not available from the stallion, frozen semen will be offered. We accept no responsibility whatsoever for delays or the non delivery of semen due to unforeseen circumstances beyond our control.

### **Payment of fees**

The stud fee and delivery fee must be paid and cleared in full before semen can be despatched. The relevant delivery and collection fee must be paid with the stud fee (see charges for current fees) A separate cheque should also be sent for the delivery amount, this will be left on file at the stud in case further semen is required, as this is often only found out on the day of scanning and can be needed the following day. If not required this second cheque will be returned with the service certificates at the end of the season. Any outstanding stud or veterinary accounts not settled by 1st September will forfeit issuing of service certificates or eligibility for a free return.

### **Service certificates**

Service certificates will be issued at the end of the stud season, and will be sent out recorded delivery.

Service certificates will only be issued on receipt of a positive pregnancy diagnosis form from your vet.

Service certificates will be withheld until any outstanding accounts are settled.

If lost or damaged, duplicate service certificates can be issued at a cost of £25.

### **Payment**

Payment can be made by BACS transfer to: Account no 73082768; Sort code 20-60-88; SWIFTBIC BUKBGB22;

Cheques to be payable to: Bosanko Sports Horses Ltd., please allow 5 working days for cheques to clear. Cheques will not be accepted as final payment on the day the mare is leaving the Stud. Banker's drafts or Building society cheques, as with cash, do not need a clearing time. There will be a £50 charge for any returned cheques for both the stud and Vets.
